“ Will always remember growing up in Fireco and going to church at the end of the alley where Lucy played piano. She and Mrs. Richmond got us kids together and we sang in church, remember one time going to another church to sing, the Christmas plays they got together for us kids. She was truly an amazing lady. I can still hear her play. I told my husband she was very good to me and I will always remember her. I pray all goes well today. Your family will be in my prayers. Kiss Kevin for me. love n prayers Bennie Jean Roark Keene

“ I have so many wonderful memories of time spent with Aunt Lucy, grandma, Aunt Martha and Mom together. I guess the memory that most often comes to mind is all of us sitting together at a table breaking beans or some other activity. All 3 of the sisters would be talking all at the same time and all about something different. I always tried to keep up with the gist of what each one was saying. Though not easy, it was entertaining to say the least. I was so blessed to be able to spend so much time with them. Life flies by and we are all involved with our own families and activities so much that these memories are precious to us. Aunt Lucy will always be a vital part of my life and memories. My sympathies and love to all the family.

“ John,

Karen and I are so sorry for your loss. She fondly remembers your mother. We would have been there but I have to take Karen to the University of Virginia Friday for a medical appointment. You and your family will be in our thoughts and prayers.

“ Granny is the only grandma that was around while I grew up. I loved her quilts, green beans and divinity. I actually have one of her quilts on my bed. I will always love granny and she will be missed. Take care of one another. LorAnn Parmele
